August 21, 2026

PER CURIAM.

This Court on July 14, 2026, issued an order directing Petitioner to show cause why sanctions should not be imposed due to his knowing misrepresentations of fact to this Court. *See* Fla. R. App. P. 9.410(a). Having carefully considered the response and finding it fails to show cause why sanctions should not be imposed,

we conclude that Petitioner is abusing the judicial process and should be barred from further pro se filings.

In order to conserve judicial resources, Petitioner is prohibited from filing with this Court any further pro se filings concerning Sumter County Circuit Court Case No. 60-2009-CF-773-A. The Clerk of this Court is directed not to accept any further pro se filings concerning the referenced case. The Clerk will summarily reject any future filings regarding the referenced case unless filed by a member in good standing of The Florida Bar. *See Isley v. State*, 652 So. 2d 409, 411 (Fla. 5th DCA 1995) (“Enough is enough.”). The Clerk is further directed to forward a certified copy of this opinion to the appropriate institution for consideration of disciplinary proceedings. *See* § 944.279(1), Fla. Stat. (2020); *Simpkins v. State*, 909 So. 2d 427, 428 (Fla. 5th DCA 2005).

PETITIONER SANCTIONED.

JAY, C.J., and EDWARDS and KILBANE, JJ., concur.

Not final until disposition of any timely and authorized motion under Fla. R. App. P. 9.330 or 9.331.
